

OUR HEALTH SERVICES TREAT THESE CONDITIONS

As naturopathic doctors (ND's), we are educated in all the same sciences and diagnostic techniques as MD's, yet we are also trained in holistic and non-toxic therapies. We look at the body in a holistic manner, taking into account more than symptoms, but also life style, eating habits, and much more.

We provide health services, such as:

- Applied Kinesiology
- Dermatology
- Detoxification Programs
- Homeopathy
- Hormone Balancing
- Naturopathic Nutrition
- Specialized Testing
- Women's Health
- And more!

A partial list of conditions we treat:

- Acute Illnesses and Pain
- Arthritis
- Bone Loss
- Depression
- Digestive Concerns
- Food Allergies
- Hormone Imbalances
- Improper Organ Function
- Skeletal Misalignment
- Sources of Pain
- Toxic Buildup
- And much more!
